Speaking of Plains products Mr. Earl Cobb was the recipient of a golden wedding chrysanthemum, that measures 13 inches in circumference and 6 inches from apex to stem, a magnificent golden ball, perfect in its beauty. If the fair donor should bestow the treasure of her affections as liberally on Mr. Cobb as nature has on this most beautiful effort, he is indeed a fortunate man.

GOOD ADVICE
The most miserable beings in the world are those suffering from dyspepsia and liver complaint. More than seventy-five per cent. of the people in the United States are afflicted with these two diseases and their effects: such as sour stomach, sick headache, habitual constiveness, palpitation of the heart, heartburn, waterbrash, gnawing and burning pains at the pit of the stomach, yellow skin, coated tongue and disagreeable taste in the mouth, coming up of food after eating, low spirits, etc. Go to your druggist, J. N. A. Daley, and get a bottle of August Flower for 75¢. Two doses will relieve you. Try it.

It's an unrivaled life-saver when used for desperate lung diseases. Guaranteed bottles 50¢ and \$1.00 at Hadley Drug Co's.

Running Water Notes.

Rain, rain, rain, how it has rained! We were told before moving here that the Plains was a dry country but our informant certainly meant "dry" in the same sense as a paddy when he speaks of a "dry town."

Canyon's Great Tragedy.

Communicated.
Just to think; in this beautiful town, where all is peace, push and striving to build up the town, that such a thing would take place. Oh horror of horrors! What is our town coming to? Now, in the dawning of the 19th century, in the blaze of gospel light, in the midst of so many churches and Sabbath schools and so much preaching and surrounded by so much beauty, that such a thing should take place on a beautiful Sabbath day, too, and by a Methodist preacher, at that. On November 18th Mr., a Methodist preacher, took two young carpenters, entered the house of Rev. Robeson, the pastor of the Methodist church, took his two youngest daughters and to the horror of all, proceeded to make them into Coffee. Who would have thought of it and what will the Canyon people do with such a preacher and such carpenters? Mel.

SPREADS LIKE WILDFIRE.

When things are "the best" they become "the best selling." Abraham Hare, a leading druggist, of Belleville, O., writes: "Electric Bitters are the best selling bitters I have handled in 20 years." You know why? Most diseases begin in disorder of stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitudes of maladies. It builds up the entire system. Puts new life and vigor into any weak, sickly, run-down man or woman. Price 50¢. Sold by Hadley Drug Co.

Where it will connect with the train on the Atchison line that it is hoped will put cattle into Kansas City for Wednesday's market, but it must be understood that we do not guarantee to make this market, as we are liable to be delayed in gathering shipments all along the line, as this train contemplates, and may have to unload for feed and rest in order to comply with the law. We have selected Wednesday's market for the reason that we are assured that the market on the following day, Thursday, is equally good, and our patrons are therefore protected in far as we can protect them against loss on account of possible delay as above suggested.

We will still continue to handle train load shipments, with proper notice, on any day of the week as suits shippers. This weekly stock train is simply intended to take care of shipments that would otherwise have to be handled by way freight trains and necessarily suffer considerable delay.
